### **Responsibilities**

- *Carrying out drawing take offs and creating bills of quantities within bespoke software package.*
- *Obtaining regular supplier quotes and maintaining materials and labour databases with current rates.*
- *Compose detailed quotations for projects in line with clients' specifications and requirements.*
- *Arranging the procurement of plant, materials, and labour for live projects.*
- *Attend site meetings as required, meeting with customers and contractors (initial surveys, progress meetings, valuation surveys).*
- *Assisting with commercial aspects of work in progress (pricing variations, assessing subcontractor valuations).*
- *Communicating information to clients, suppliers, staff, and contractors as required.*

### **Experience**

- *Construction Industry Knowledge*
- *Minimum Level 4 Qualification*
- *Adept in reading design drawings and interpreting project specifications.*
- *Excellent attention to detail and accuracy in estimating costs.*
- *Ability to thrive under pressure in a fast-paced environment.*
- *Communication Skills. Ability to build successful working relationships both internally and externally.*
- *Strong organisational and negotiation skills.*

### **Benefits**

- *Progression*
- *Competitive Salary*
- *Access to company vehicle.*
- *Company events*
- *Bonus Scheme*

### **Location**

- *The role is based in our office in Cleator Moor Cumbria. Our projects can be located anywhere within the UK and Europe so candidates must be willing to travel as required.*
